BRIEF ABSTRACT OF LETTER.

Prays for the restoration to him of the hereditary hak of the Inam lands of the temple

NOTES AND ORDERS.

In this petition dated 15th July 1901, Bhikshta Bhattar represents that on 29th August 1898 the Govt made Annual sold the hereditary hak of these lands including some private lands to one Venkayya for Rs 2000/, that as these lands could not

brought under cultivation in spite of a large outlay, the latter's son Adiappa sold them to the petr for Rs 2000/ as per regd Deed dy 19th Septr 1904, that fro the date of sale, Kandayam was being paid regularly in addition to Rs 18-14-6 in cash and 1 3/4 measures of sweet oil to the temple, that owing to the breach of the tank the repair of which requires heavy amounts, the yield from the lands only 4 acres of which are garden, is not as much as could be expected and that the last year's produce was withheld from him under Amildar's order. He prays that his kulagani hak may be confirmed on condition of his paying a fixed amount to the Temple and that if a date be fixed for hearing him, he will produce the documents in his possession

2 In under cover of his petition dated 20th Septr 1910, the petr has produced the original documents of the years 1878, 1904 and also kanakas executed by Manja Bhatta and Subba Bhatta and promises to produce the Inam Settlement papers confirming the kulagani hak in favor of Anniah.

Petr was in possession of some of the Zaptie lands as hereinbefore dispossessed is compensated by Govt

It is said that the Mankgeni Mankgeni dars of these lands have to pay the fortune and have money and oil to the Zaptie, that in the Mahrad ~~[illegible]~~ Mankgeni leases are granted in order that the gardens may be improved, that at present only he has improved the lands and that the lands should therefore be restored to his possession on condition of the fulfilling the terms noted above. He also says that the produce of last year received from the ryots may be made over to him. He adds that another valuable garden has been leased for a low amount to Mangya Bhadia (~~illegible~~ husband of the person who has been appointed sole Patel instead).

Perhaps the allegation that Mankgeni leases are necessary for the improvement of gardens and that the gardens were improved by Petr may be true. I am not acquainted with the Mahrad land tenures and cannot therefore say anything in this matter.

Petr has added that the Mankgeni might

From, The Dy. Commr, Shimoga Distt
Letter no 174 Dy 27-11-1912.

Recommends the restoration of S. nos 12 and 19 of Kallekare Village in the Khata of Sri Venkataramana Devaru of melige to the petr Bista Bhatta.

2) The Dy. Commrs. report clearly explains the facts of the case.

3) The rent derived from these garden lands is 47 maunds of Supari Valued at Rs 329/-

4) It is pointed out that the alienation of the Inam lands in this case having occurred subsequent to 14th Decr 1864, the petr is not entitled to the possession of the lands by virtue of the Inamdari right purchased by him from Adiappa.

5) The Amildar reports that the gardens were in the possession of the petr for a long time, and large amounts have been spent to improve them, that they have deteriorated in value and that it requires large outlay to improve them -

6) The Dy. Commr recommends that on the expiry of the existing leases, the lands may be leased out to

The Dy Commr adds that the leasing out of the garden lands for short periods results in the gradual deterioration thereof, as the lessees can have no binding interest to improve the lands

37 Submitted to Hr Committee,
There is no doubt that Krishna Bhatta had paid valuable consideration to purchase what he thought to be the 'Mulgani Vak' to the land and he appears to have also spent money to improve the lands. There is however nothing to show that Ammal himself possessed any Mulgani right. In the original deed of Mani Seetharpen dated 23rd Aug. 1876 the lands are merely described as being in the Warg of Ammal and in his cultivation but belonging to Mulja Venkatramanaswamy. If Ammal had

any municipal right. it is natural ~~to presume~~ that he would so have described his estate. Thus Municipality and after him Bhista Bhatta cannot claim any higher right than Amina himself.

36 In view however of the improvements effected by the last Asst. Collr and the unfortunate mistake into which he had fallen in thinking that he was purchasing good title, some consideration may be shown to Bhista Bhatta. The auildar reports under date 21st Oct. 1912 that the gardens have been neglected. One often Survey nos (Sur.no 12) has been leased out for five years to one Sidda and the other (Sur no 19) has been given on a yearly lease. Bhista Bhatta is willing to take the lands on ~~one~~ lease for a period of years paying a rent of Rs 275 per annum Though this is about Rs 50 more than the present income, the offer may be accepted as recommended by the Dy Collr. Sur no 19 may be leased one immediately and Sur no 12 on the expiry of the present lease. This would not materially affect the four with the scale of expenditure

Sir,

Adverting to your letter No. 580/ M.F. 282-10-5 dated 8-9-1911, calling for a report on the petitions of Bishtabatta complaining that he has been dispossessed of Survey Nos. 12 and 19 of Kallekere village in the Khate of Sri Venkataramana devaru temple at Melige, which he was enjoying as a Muligenidar, I have the honour to state that the lands in question measuring together 9 acres and 38 guntas and assessed at Rs. 135-0-0, as detailed in the margin, are now under the management of Government under the authority of Government Proceedings No. 192-3-Muz.15-08-6 dated 16-7-1910. The rent derived at present from these lands is 47 maunds of supari valued at Rs. 329/-.

2. From the references filed by the petitioner, it is seen that these lands were cultivated in 1837-38 by one Nagamma and subsequently came into the possession of his brother Annayya. On the death of the latter, the lands were conveyed by his wodow Nagamma and nephew Venkatayya, on 23rd August 1878, to Murigendrappa of Hodigere on Mulageni tenure, and the Muligeni right was finally sold to the petitioner by Adivappa, son of Murigendrappa on 19-9-1904 for a consideration of Rs. 2000. As specified in the sale deed, the annual rent paid by Bhistabhatta, after paying the Government dues every year was Rs. 18-14-6 in cash with $1\frac{7}{4}$ maunds of oil.

3. It will thus be seen that the alienation of the Inam lands in this case having occured subsequent to 14th December 1867 (date of the promulgation of the Inam rules), the petitioner is not entitled to the possession of the lands by virtue of the Mulageni right purchased by him from Adivappa.

4. The point for consideration is, therefore, whether the petitioner is entitled to any concession on account of the money already invested by him on the lands. In his statements before the Taluk Amildar on 31-8-1912 and 21-10-1912, he represented that he had incurred a considerable outley for the improvement of the garden lands and that ever since he was disposed of them, the lessees have not devoted any attention for the proper maintenance and improvement thereof, as their interest has been only to derive as much profit as they can from the lands under the existing circumstances. The present Amildar reports in his Ittilla No. 327, dated 21-10-1912, that the contention of the petitioner is true and that the lands have consequently deteriorated in value.

5. The petitioner prays that in consideration

of

of the money already invested by him on the lands in question, they may be restored to him subject to the payment of an annual rent of Rs. 275 inclusive of the annual Government dues thereon. The enquiry conducted by the Amildar clearly shows that a large outley has still to be incurred on the lands and that excepting Manjabhatta, the vahivatdar of the temple, who offers to take up the lands on a lease of not less than one hundred years in duration, the petitioner is the only person who can be trusted to devote proper attention to the improvement of the lands. The leasing out of the garden lands for short periods results, as already stated, in the gradual deterioration thereof, as the lessees can have no binding interest to improve the lands.

6. For the foregoing reasons two successive Amildars of the Taluks recommend that the lands may be restored to the petitioner, although the step results in a net loss of about Rs. 50 in the income derived by the temple considering that the petitioner has still to incur a large outley to bring the garden lands to a proper condition, I would recommend that the lands may be restored to his possession on the expiry of the existing leases on his executing a muchalika binding himself not to alienate the lands or transfer them without the sanction of Government, and that the rent offered by him may be accepted, subject to revision after a period of ten years.

7. The petitioners under report are herewith returned together with the file of vernacular papers connected with the case.

I have the honour to be,
Sir,
Your most obedient servant

Deputy Commissioner,
Shimoga District.
